

Preparation of compressed air → Maintenance units and components

Series AS3
Accessories

Sealing ring

► Acrylonitrile butadiene styrene

00127841

Part No.	usage Series	Type	d	D	s	Delivery quantity [Piece]	Working pressure min./max. [bar]
R412010148	AS2	For compressed air connection G 3/8	17.9	22.5	1.5	10	-0.95 / 16
R412010149	AS3	For compressed air connection G 1/2	22.4	26.4	1.5	10	-0.95 / 16
R412010150	AS5	For compressed air connection G 1	36.9	41.9	1.8	10	-0.95 / 16

Part No.	Ambient temperature min./max. [C°]								
R412010148	-10 / +60								
R412010149	-10 / +60								
R412010150	-10 / +60								

For inserting into the O-ring groove when using series QR1 and QR2 fittings.
