

AIR OVER HYDRAULIC PUMPS - PA11 SERIES

Part Number	Pressure Rating (psi)	Usable Oil (in3)	Flow Rate in3/min		Reservoir Construction	Use with Cylinder	Weight (lbs.)
			No Load	3,200 psi			
PA11-122	3,200	122	143	44	aluminum alloy	S/A	20
PA11-98R		98					23
PA11-231		231					32
PA11-122D		122				D/A	22
PA11-231D		231					32
PA11-460D		460					44

DESCRIPTION

- Air Hydraulic Turbo speed operation offering high flow at high pressure.
- Hydraulic port swivels for easy connection.
- Air pressure range 40-170 PSI.
- Pressure relief valve for overload protection.
