# Introducing Graco's Mini Fire-Ball design in a **NEW** 50:1 package!

## Mini Fire-Ball® 225

50:1 air-operated grease pump

#### **Features & Benefits**

- With over 50 years of service, the Fire-Ball air motor provides unmatched durability and reliability
- Proven pump design with fewer moving parts means less downtime
- Double acting pump provides continuous flow operation
- Rugged inlet cage withstands demanding shop environments
- 50:1 ratio allows grease to be pumped up to NLGI #2
- Available for 35 lb (16 kg), 120 lb (55 kg) and 400 lb (180 kg) containers
- Full-line of stationary and portable package configurations to meet your specific needs

Graco's Mini-Fireball 225 50:1 is designed for manufacturing or automotive service facilities
