FluidConnectors

PolyGuard™ and ParKoil™ make it easy to prolong hose life

- Shield hose from abrasion and cuts
- Easy to install without removing hose lines; no clamps needed
- Minimize kinking
- Resist water, oil, gasoline, hydraulic fluid, & most solvents
- Cannot rust or corrode
- Ideal for bundling plastic tubing or hose lines

Two weights wrap up almost every application

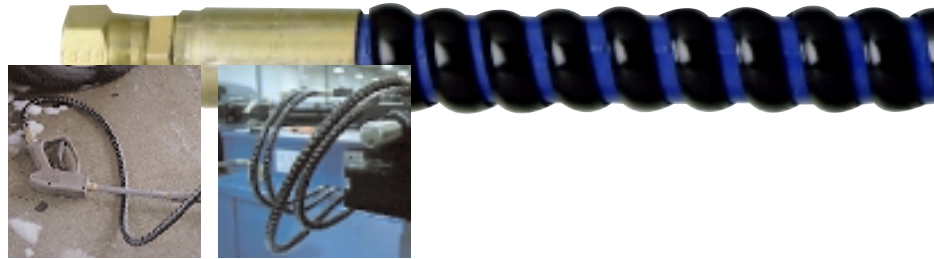

PolyGuard™ – Heavy-duty polyethylene provides protection in rugged operating conditions. Great for bundling high-pressure hose lines.

Cut edges can be smoothed by applying heat. (CAUTION: This material will support combustion). Color: Black
Temperature range: -0°F to +200°F

ParKoil™ – Lower-cost protection for applications that call for a tighter bend radius and are less demanding.

Cut edges can be smoothed by applying heat. (CAUTION: This material will support combustion). Color: Black
Temperature range: -0°F to +200°F

PolyGuard™ and ParKoil™ Selection and Ordering Guide
